

CHÂTEAU FERRIÈRE

GRAND CRU CLASSÉ EN 1855

MARGAUX

Owner: Claire Villars Lurton

Gabriel Ferrière was the founder of the estate and he was a member of the royal court in the XVIIIth century. In 1855, Chateau Ferrière was classified third Growth. In 1988, the Villars family bought the estate and took over the management of the vineyard and the winemaking.

With its 12 hectares, mainly located on the land of Margaux and its terroir made of gravels from the Garonne River on a subsoil of limestone, Chateau Ferrière is one of the smallest of the Classified Growths in 1855.

Claire Villars Lurton is at the origin of the renewal. Year after year, she works on revealing the unique terroir of Chateau Ferrière, to restore the vineyard to its original splendour and to make it fully worth of its prestigious classification.
