

# CHÂTEAU FOURCAS HOSTEN

## LISTRAC-MÉDOC

*Owners: Renaud and Laurent Momméja*

Thanks to a highly unusual terroir that accounts for the wine's subtle balance, Château Fourcas Hosten has enjoyed a fine reputation for nearly two hundred years.

Located in the heart of the village of L istrac, in the middle of 3-hectare English-style grounds, the 18<sup>th</sup> century country manor house overlooks a clay-limestone plain where Merlot grapes express all their goodness. Further north, Cabernet Sauvignon vines are very much at home on the gravel soil of the plateau de Fourcas.

While making sure to respect centuries-old traditions and longstanding Médoc winemaking expertise, the new owners, Renaud and Laurent Momméja, are also committed to provide the most up-to-date facilities and techniques. Everything possible is done to express the character and elegance of Fourcas Hosten.

Area under vine	36 hectares
Production	150,000 bottles
Soil	60% Pyrenean gravel and 40% clay-limestone
